# Modern Design

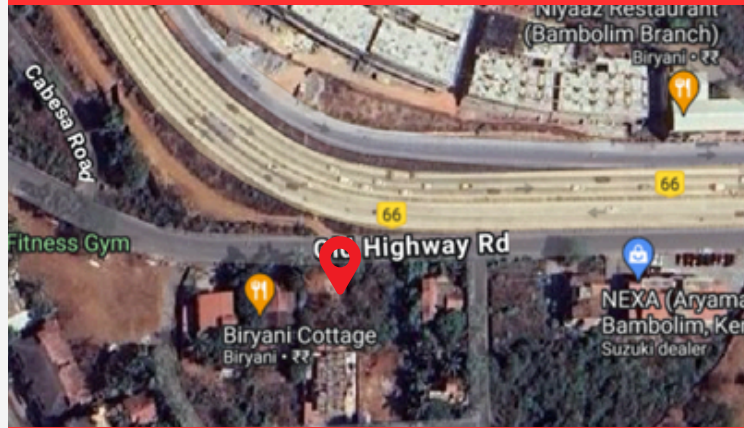

# Unwind Recharge

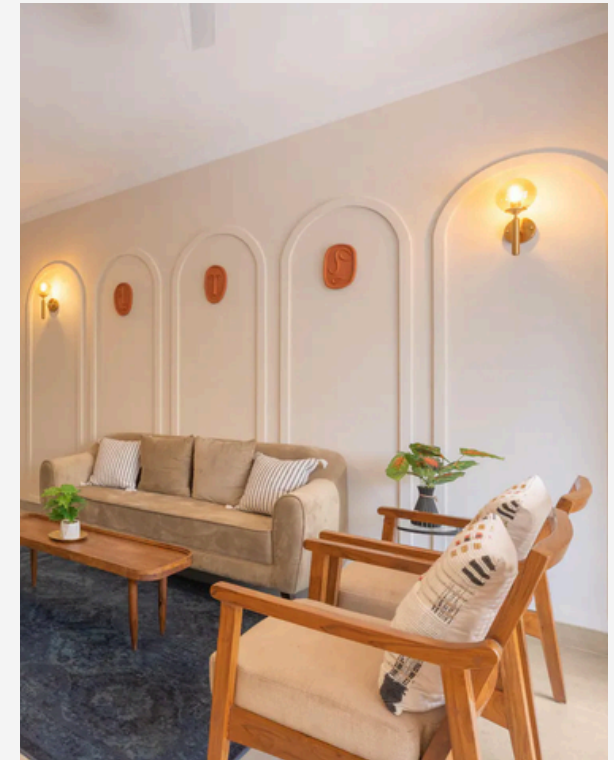

## Unwind and Recharge

- Rejuvenate in the relaxing sauna after a long day.
- Maintain your fitness goals with a fully equipped gym conveniently located within the building.

## Location Advantage

- Situated near the Nexa showroom, Revla Apex enjoys excellent connectivity.
- Schools, restaurants, cafes, and beaches are all within easy reach, offering a well-rounded lifestyle experience.
- Close proximity to GMC & Manipal Hospital ensures easy access to healthcare facilities.

## A Greener lifestyle

- Solar panels generate renewable energy, reducing environmental impact and lowering your utility costs.
- Embrace a greener lifestyle with Revla Apex's commitment to sustainability.

## Peace of **Mind** and Security

- Revla Apex prioritizes your safety. **24/7 security** ensures peace of mind, while Night Vision CCTV cameras provide an extra layer of protection.
- **Thoughtful design** features like grab bars and wider doorways create a comfortable and accessible environment for all residents.

# Sustainable Living

## A Greener lifestyle

- Solar panels generate renewable energy, reducing environmental impact and lowering your utility costs.
- Embrace a greener lifestyle with Revla Apex's commitment to sustainability.

## Convenience at Your Doorstep

- Revla Apex offers a complete living experience. Enjoy the convenience of 24/7 water supply and a 24/7 generator for uninterrupted power.
- Ample parking space ensures you never have to worry about finding a spot for your vehicle.

# Coming Soon

Revla Apex is scheduled for completion in **2024**, offering a chance to secure your dream home in a prime location.
